WEEK #3

How can I remove unwanted toolbars from the Windows Explorer?

(such as the Yahoo or Google toolbars)

Answer: Right-click on a blank area of the menu bar, and click on the item(s) that you want to remove or restore, toggling a check or uncheck mark next to the item(s).

If you do not want to receive the computer tip of the week, [click here](#) and type REMOVE in the subject line. Rhonda Hodgdon – (813) 875-5239
